

Update Effective March 16, 2020

In light of our mission to be a safe and inspirational beacon of hope for this community The Kroc Center has decided to adhere to the recommendations of national, state, and local officials, to help prevent the spread of COVID-19, to close The Kroc Center.

Beginning Tuesday, March 17 thru Sunday, March 29 The Kroc Center will be closed to members and guests.

Your health is important us. Like others in our community, we are concerned about the spread of COVID-19. The Kroc Center Leadership team is continually monitoring the ever-changing situation, following recommendations from Healthcare professionals and government agencies, and is committed to making decisions in the best interest of our members, guests, and employees.

Our priority remains the safety of our guests and employees and we will do all we can to prevent the spread of this illness. We appreciate your understanding as we continue to monitor the situation and adjust operations as necessary. In the interim our staff will be working towards a complete and thorough facility deep-clean and sanitation. We will continue to follow public guidelines and look forward to re-opening as soon as it is deemed safe.

For our members:

If you have questions about how this will affect your membership, please call us at 757.622.KROC (5762) and dial 1 for Membership Services.

We continue to pray for all those who are sick, and those souls who have succumbed to this virus. We pray for the leadership at the Federal, State and Local levels for wisdom and guidance in all their decision making. We pray for you and your families as hardships wrought from resulting economic turmoil will certainly impact us all.

Blessings,

The Kroc Center
