

Due to non-compliance and failure to adhere to “social distancing” guidelings as mandated by the Governor of the state of Virginia and CDC (Center ofr Disease Control), recreational basketball activities will undergo a schedule change starting Monday, Feb. 8th:

New Schedule

Monday – Friday:

8am – 12pm

12pm – 3pm (Registration Required for this time)

Saturday:

8am – 12pm

Your safety and health are our greatest concern and doing our part to prevent the spread of COVID-19 in our community is our focus. As we continue to move forward in the re-opening process, we will look to make adjustments as mandated by the Governor of the state of Virginia and CDC. Here are the CDC “Social distancing” gudielines:

“Social distancing, also called “physical distancing,” means keeping a safe space between yourself and other people who are not from your household. To practice social or physical distancing, stay at least 6 fee (about 2 arms’ length) from other people who are not from your household both indoor and outdoor spaces.”
